M12 HJ LADIES2-0 (S) | M12™ Ladies Heated Jacket

- Heat on Demand - 4 sewn in carbon fibre heating zones distribute heat to core body areas, the collar and to the front pockets.
- Superior run time, up to 8 hours of heat on a single battery charge of an M12™ REDLITHIUM-ION™ 2.0 Ah battery pack.
- Easy touch heat controller - 3 heat settings: High, Medium, Low.
- Rugged construction, wind and water resistant (100% Polyester) shell and thermal fleece lining keep elements out and hold heat close to the body.
- Women's cut, stitch lines positioned for a less baggy fit to hold heat zones closer to the body.
- M12™ battery controller with 1 A USB port, to charge mobile devices stored in a concealed battery pocket.
- Machine washable and dryable.
