M12 HH GREY3-0 (S) | M12™ Grey Heated Hoodie

- Rugged heated hoodie made from durable cotton (53%) exterior with durable reinforced utility pockets and waffle-weave polyester (47%) lining to withstand tough outdoor conditions.
- Flexible battery system: works with all Milwaukee® M12™ batteries.
- In autumn and spring the hoodie can be worn as a rugged outer layer. In winter, it is best as a base layer that allows to shed bulky undergarments while generating and holding heat close to the body.
- Superior run time, up to 8 hours of heat on a single battery charge of an M12™ REDLITHIUM-ION™ battery pack.
- Multiple heating zones - 3 sewn in carbon fibre heating zones distribute heat to core body areas.
- Easy touch heat controller - 3 heat settings: High, Medium, Low.
- M12™ battery holder is stored in a concealed battery pocket for increased comfort and convenience.
